## Youth Leader Application - Description

### GENERAL YOUTH LEADER DESCRIPTION

A youth leader is a person who invests in the lives of the teenagers at Cherokee Hills Baptist Church. Youth leaders are the people who make a commitment to minister to teenagers and to enable the youth department to reach out to teenagers. The most important thing for a youth leader is to love students, be responsible and be a Godly example for students.

### REQUIREMENTS:

You must be a regular attendee of Sunday Services before becoming a youth leader.

Youth leaders must be at least 18 years old and out of high school.

Youth leaders must complete a *background check and application*.

### SUNDAY MORNING

The job of the Sunday School Teacher is one of the most vital roles in our student ministry. It needs to be a priority for all leaders to talk with the students before and after Sunday morning church, let them know that you are glad that they are here and that they are important to our church. The Sunday School teacher vitally delivers God's Word each Sunday morning in his/her class. It is in our Sunday School groups that we are educated about God's Word and His attributes. It is through knowledge of God's Word that students will continue to turn their lives over to the Lord. Teachers are responsible for contacting Wednesday night visitors and inviting them to a Sunday morning. They are also responsible for promoting their class through special events and on a weekly basis. Please check one of the following:

\_\_\_\_\_ I am interested in being a Sunday School Teacher.

\_\_\_\_\_ I am NOT interested in being a Sunday School Teacher.

### SUNDAY EVENING

Giving of your time and energy will be a huge deciding factor in whether or not you should be a small group leader. We do small group discipleship in shifts of two semesters, and having the summers off. It is time consuming but well worth it to watch students grow closer to God.

#### **Check Yes or No**
